### *To Rockville Area Merchants ...*

*The Rockville Fest should be a well attended event. Each time one of these downtown happenings occur, Rockville benefits. It's an opportunity for us, as downtown merchants, to show our best, and in doing so potentially increase our customer base. If your business lends itself to a "Sidewalk Sale," please consider setting up one in front of your store. If not, try to do something special within your establishment for walk-in traffic on this day. Let's make all visitors to our village feel welcome!*

*Thank you*
